

## Research information on registered marks

You can research trademarks, patents and designs at no charge:

[swissreg](#)

[Everything you need to know about Swissreg](#)

- Pending applications: New applications are generally available on Swissreg within 2 workdays of receipt.
- Cancelled applications: Swissreg includes all applications which were cancelled after July 2006.
- Active trademarks: All valid registered trademarks are included in Swissreg.
- Cancelled trademarks: Swissreg includes all trademarks which were cancelled after July 2006.

International trademarks with effect to Switzerland, are registered at the World Intellectual Property Organization (WIPO). WIPO offers via "Madrid Express" its own free online register.
